PRECAUTIONS AGAINST COVID-19

Circular No. 001/COVID-19/2020-21

Dear Parents,

1. At this time of unprecedented crisis caused by the COVID-19 pandemic we wish you and all at home the very best for your good health and safety.
2. Needless to say, we have to strictly comply by the instructions issued by the Government and the medical authorities on the safety precautions to be followed against COVID-19, which is in our best interest.
3. Children, who are presently at home, need to be regularly reminded on personal hygiene and social distancing so that they adjust to the new normal and make it their way of life.
4. As and when the new Academic Year commences we would request you kindly adhere to the under mentioned norms while sending your child to School:-

- a) In case your child is unwell due to fever or flu like symptoms we would request you not to send your child to School till he/she recovers. Please do consult a doctor for their speedy recovery. Parents are requested not to be too concerned about their absence as the School will make all efforts to see that your child makes up for their absence.
- b) At the time of entering the School temperature reading of all students will be taken by thermal temperature scanner and those with above normal temperature will be segregated and parents requested to take them back home. They will also be made to go through a hand wash on entering the School.
- c) Wearing of three layered face mask of the prescribed specifications, will be mandatory for all students, teachers and staff throughout the School hours.
- d) We would request parents to comply by the following once the School reopens:-
 - a) The students must attend School after a proper bath in the morning and wear freshly washed uniform including face mask and socks daily. They will not be permitted to attend School unless they wear freshly washed clothes, face mask and socks.
 - b) Parents are requested to cater for:-
 - i) Atleast three numbers of three layered face masks of prescribed specification so that they are washed daily.
 - ii) Freshly washed handkerchiefs, to be changed daily.
 - iii) Adequate number of uniforms and socks so that they were a freshly washed uniform and socks daily.
 - iv) A hand sanitizer for hand wash besides what is being provided by the School.

6. The above measures are being taken in the best interest of your child and the other children in the School.

Thanking you
